

The 14th Gathering of Light

Release The Magic Within

Asilomar Conference Grounds
Pacific Grove, California
September 23-25, 2011

Close by Point Lobos.
The area is known for its
spectacular natural beauty.

Asilomar, located on the ocean in Pacific Grove, CA, has been the venue for many community Gatherings. June/Julian taught at Asilomar via the sponsorship of the Foundation For The Recovery Of Ancient Wisdom (FRAW.) In the past, attendees have found Asilomar to have a high spiritual vibration and an energy that supports expansion of the senses.

The 14th Gathering program will include speakers well versed in the Julian Teachings. There will be plenty of time to explore the Conference Grounds and the area, which includes Monterey (North) and Carmel/Big Sur (South).

As always, there will be ample time to renew old friendships and build new ones.

Follow the link below for a video presentation of Asilomar.
